THIS WEEK'S TEACHING - REJECTION

This week's teaching is on Rejection.

Date: Sunday, September 10, 2006.

Location: Comfort Inn, Bedford, Texas

Time: 4:00 to 6:00 p.m.

Subject: Principality of Rejection

REJECTION? To cast off; to throw away; to refuse; to put aside; to disapprove; to not accept

Spirit of Rejection's Goal is designed to steal God's Word away from us; to make us believe lies of the enemy that We are not worthy, we are not good enough, NO one cares about us, at least of all God.

It will cause you to pull at others and say, Look at me, look at what I have done, see how I look- no one would want me, no one cares? So you are believing and projecting and declaring JUST the OPPOSITE of everything God tells us in HIS word.

Rejection is a form of communication that communicates something to someone else that is not good. Rejection communicates disrespect for another human being. Powerful form of communication that tells another person they are unacceptable, have no value, doesn't belong or can't fit in, they are Unwanted, unloved.

A person with rejection communicates the message through a disgusted look, with disdain, with an impatient answer, a snub, or neglect, through the "ole silent treatment", or just plain abandoning them.

It also communicates with harsh words that are

The foundational teachings we did on July 8, 2006:

Broken Heart - has someone broken your heart and betrayed you when you were young and you stumble in life in pain?

Pathway of Health, Disease and Healing - Scriptures show us how God thinks and how His nature is revealed concerning disease and sin. It also shows us that it is His

devastating! They are sent to cut you! Hurt you! Our words are extremely important. We must guard our mouth for we have whatsoever we say, life or death, blessing or curses – comes out of your mouth.

Proverbs 18:8 The words of a talebearer are as wounds, and they go down into the innermost parts of the belly.

Some of how Rejection can come in?

- From our ancestors- generational
- Unwanted pregnancy
- Competition
- Divorce of parents
- Competing with parent for affection
- Favoritism by Parents one child over another
- Growing up without a father; spiritually/physically absent - couch potato, Alcoholic/Workholic
- Performance oriented home. ***Psalm 27:10***
- Rejection in school (teachers/peers)

Proverbs 18:14 The spirit of a man will sustain his infirmity; but a wounded spirit who can bear?

Rejection is a spirit that will control how we walk with others relationally. How others will respond to us. Do you always feel rejected in most of your relationships? Do you tend to reject others first so that you will not feel rejection?

Come Sunday and find out more reasons how and why the Spirit of Rejection is there and lets get rid of it!

REVIEW ON OCCULTISM

If you were not there the day we taught on occultism, here is a review:

The word occult comes from the Latin occultus (clandestine, hidden, secret), referring to the 'knowledge of the secret' or 'knowledge of the hidden' and often popularly meaning 'knowledge of the supernatural', as opposed to 'knowledge of the visible' or 'knowledge of the measurable', usually referred to as science. The modern term's meaning is often imprecisely translated and used as a term for 'secret knowledge' or 'hidden

desire and will for us to live free of the curse in body, soul and spirit. You will learn the pathways of health, disease and healing.

Sin and Spirit World Realty -

This teaching is to establish the origin of sin and its effect on us personally and through our family generations. Understand where thought comes from.

Roman 7 Separation -

Separation is the first step toward appropriating the unforgiveness. Paul said it was not me but the sin that is within me Romans 7:17.

Freedom - 8rs, 7 Steps to Sin and Walk Out -

This is a teaching of how not to open the doors in your life and to walk in freedom. You also learn how to cast down before you become one with it or when you do become one with it how to do the 8rs to freedom.

knowledge', in the sense of meaning 'knowledge meant only for certain people' or 'knowledge that must be kept hidden'. For most practicing occultists, however, it is simply the study of a deeper spiritual "reality" that cannot be understood using pure reason or physical sciences.

'The Truth Is Always Hidden In Plain Sight'. It may be considered by some to be a 'grey' area, perhaps larger than any other in the realm of religion. It can deal with subjects ranging from talismans, magic (alternatively spelled and defined as magick), sorcery, and voodoo, to ESP (Extra-sensory perception), astrology, numerology, lucid dreams, or even religions such as Hinduism and Buddhism.

With occultism being a big problem outside as well as inside the church, many more people are becoming more dis-eased. Approximatley 80% of all diseases today have a root cause? If sick with a dis-ease, a curse is operating in a person's life through parents or a person's sin. The other 20% of the diseases today are not from sin of our parents or a person's sin but ***that the works of God should be made manifest in him for His Glory. John 9:1-3***

A PROMISE

If you're desperate and tired of tossing and turning in
your bed!

If the problems of tomorrow you simply cannot face
You ask: Where are all the promises?
What happened to my faith?

If you listen you will hear it in you head
It will lift your spirit up and give you strength

As God says:

Fear not, my child, because I'm with you
I know the storms just blow your mind
Be still and know that I am God
Fear not, fear not
I love you!

Cancer of the Pancreas: Spirits of: addictions - not taking care of the temple (body); self-bitterness, self-hatred, self-rejection, and guilt; fear of abandonment and rejection; insecurity; lack of self-esteem; fear (as in stress and anxiety); death and destruction.

... and many more diseases come out of Rejection but as you notice, you will always see other spirits operating with rejection.

Disease of the Week: Cancer

Cancer is the 2nd cause of death in our Nation. 80% of diseases today have a spiritual root issue.

In **Proverbs 26:2** it says ***“As the bird by wandering, as the swallow by flying, so the curse causeless shall***

not come." When you deal with generational sins or your sins, then the enemy cannot inflict disease you in six areas (mental, physical, spiritual, emotional, relational or financial).

Traits of cancer patients:

- **This person usually denies certain strong needs and represses a lot of feelings** - shut down. They are stuffers instead of dealing with their pain which is a false pathway to peace. Instead this person never deals with unforgiveness and resentment.
- **To them, having emotions is a no no and brings shame.** Some have grown up in a home not being allowed to express emotion without being shamed. The message communicated is weakness.
- **This person might have a hard time maintaining meaningful, long-term relationships without fear of being rejected by others.** They usually have extreme fear of abandonment, insecurities and lack of self-esteem.
- **Another trait is false burden bearing by taking care of others to avoid issues.** You will see them wearing themselves out helping others even in the ministry and not taking care of themselves since there is spirits of self-bitterness and self-hatred.
- **Some have feelings of hopelessness and despairs in their lives and have a tendency towards self-pity.**
- **There is usually unresolved grief from the loss of a love object, getting fired from a job or being rejected in a vocational** that was important in their lives because it gave them a sense of identity. Now, this object or job or vocation is gone creating a loss of dreams and hopelessness.

How do you deal with negative emotions?

Realize negative emotions do not come from God. Stuffing your emotions does not make those issues go away. When hurt, choose not to stuff but forgive the people who hurt you, forgive God and/or forgive yourself.

- **Recognize** - someone has hurt you or you are hurt instead of stuffing your feelings.

- Take **Responsibility** - do not deny it but realize you are dealing with bitterness.
- **Repent** - forgive those who hurt you and repent for having unforgiveness towards them. Also forgive yourself.
- **Renounce** - renounce that spirit of bitterness.
- **Remove** it - by casting a spirit of bitterness out of you.
- **Resist** - do not replay the event or go accusing. In fact, refuse to replay events because the enemy is trying to get a foothold in your mind to set up bitterness in you again. Take charge of your thoughts. **2 Corinthians 10:5** says to cast down vain imaginations....
- **Rejoice** - know you are forgiven and celebrate your freedom
- **Restore** - go and help others.

If you have feelings of rejection, hopelessness, etc. then do the same again for agreeing with rejection.
