Don't miss this opportunity to understand WHY, HOW, and gain valuable practical WALK OUT steps and Tools to CHANGE your future- FOREVER!

**Fear comes in when there is a separation in our love walk (God, others or self).**

What is fear!

- Fear means being afraid, scared, worried, anxious, concerned that a bad thing is going to happen, receiving bad news, etc.
- It projects into the future. Fear wants you to take thought for tomorrow. The word says to take no thought for tomorrow. *Be anxious for nothing (have no anxiety) Phil 4:6a*. Fear is bondage and has torment. It wants you to worry about everything in the future so that you are paralyzed and cannot be used.
- Fear manifests itself as (a) fight or flight progresses to (b) resistance reaction, and can culminate in (c) the exhaustion stage. More on that later!
- Fear is really, the opposite of trust and faith, to lack of faith. Because of this, fear is sin because we are truly not trusting God. Did you know that if you are in constant stress, there could be a breach in your love walk with the Lord in some area of your life?
- Fear drives you. It comes along and tries to help you to try to help God. Faith leads.
- Fear is an antichrist spirit because it denies God on the throne.
- Fear is contagious. When you are around people that are fearful, you usually take on their fears. Fear manifest in a physical dimension. Faith is in the spiritual dimension.

- Fear is the foundation and one of the open doors to witchcraft because fear always needs to know what tomorrow brings. That is why people get into witchcraft to control their future and to know their future by getting into divination.
- Fear can cause you to lie because of fear of man.
- Fear can cause you to murmur and complain like the Israelites did in the wilderness.

How Fear Enters in:

If Not Loved, Fear Enters in  
Traumatic Events

Through Abuse

- a. There has been verbal abuse.
- b. There has been emotional abuse.
- c. There has been physical abuse.
- d. There has been sexual abuse.

Through Abandonment

Come and hear examples of fear in the bible and how fear causes about 80% of the diseases today!

### **From Ordinary to Extraordinary... and RESTORE.**

*Jesus looked at them and said, "With man this is impossible, but with God all things are possible." - Matthew 19:26*

Dwight L. Moody was a poorly educated, unordained, shoe salesman who felt God's call to preach the gospel. Early one morning he and some friends gathered in a hay field for a season of prayer, confession, and consecration. His friend Henry Varley said, "The world has yet to see what God can do with and for and through and in a man who is fully and wholly consecrated to Him." Moody was deeply moved by these words. He later went to a meeting where Charles Spurgeon was speaking.

In that meeting Moody recalled the words spoken by his friend, "The world had yet to see!...with and for and through and in!...A man!" Varley meant any man! Varley didn't say he had to be educated, or brilliant, or anything else. Just a man! Well, by the Holy Spirit in him, he'd be one of those men.

Then suddenly, in that high gallery, he saw something he'd never realized before. It was not Mr. Spurgeon, after all, who was doing that work; it was God. And if God could use Mr. Spurgeon, why should He not use the rest of us, and why should we not all just lay ourselves at the Master's feet and say to Him, "Send me! Use me!"

D.L. Moody was an ordinary man who sought to be fully and wholly committed to Christ. God did extraordinary things through this ordinary man. Moody became one of the great evangelists of modern times. He founded a Bible college, Moody Bible Institute in Chicago, which sends out men and women trained in service for God.

Are you an ordinary man or woman in whom God wants to do extraordinary things? God desires that for every child of His. Ask God to do extraordinary things in your life. Begin today to trust Him to accomplish great things for His Kingdom through you.

Saul was an ordinary before he was anointed king. He didn't see himself as someone that God could use. He considered his tribe and family to be the least in Israel and therefore

unqualified for kingship (1 Sam. 9:20-21). Yet it was when Saul was small in his own eyes that he was great in eyes of the Lord (1 Sam. 15:17).  
It's been said that "God is not looking as much for ability as He is for availability".

So many times we think that God could never use us because we're not as gifted, or as educated, or as talented as others. Too often we rob ourselves of God given visions and dreams, because of ungodly comparisons.

But our God specializes in taking those who are foolish, or weak, or despised, and using them for His glory (1 Cor. 1:27-29). If we want the Lord to use us, it's our job to be available and faithful, it's His job to enable and perfect. Isn't that a relief to know it is not up to us?

As an ordinary man you are a candidate to do extraordinary things because of an omnipotent God! Remember that you serve a GREAT BIG GOD, and nothing is too hard for Him.

Seeing Your Destiny Fulfilled,

*Deborah* ( ref. Os Hillman)
