Our Time has come...

Yes, Our Time has almost come... NOT to say GOOD BYE but "See you later". Right? We know some of you will return and some will be gone but we hope you will drop by and say "Howdy" and certainly keep in touch with us. We have been so privileged to get to meet and know you all. To have been able to sow this awesome teaching into your lives, is a gift from the Lord. We are so excited at hearing the awesome testimonies from you all. The neat thing for us is to hear you all BATTLING and WINNING the war against the Plans of the enemy in your life! To watch you all TAKE BACK YOUR LAND that he stole!

Althought we are nearing the end of this Cycle of teaching, There are a few things I would like to mention:

- Don't forget our last two Year-End Events. (*More details below.*)
- Would you consider writing up some of your testimonies of What God as shown and done in your life through " A MORE EXCELLENT WAY"? (*Mail them to us or email them to us.*)
- Those willing and excited, we would like you to consider sharing them at the upcoming meetings in Nov. and Dec. Let us know. How much more encouraging and strength comes when we share with the Word of our Testimony. Right?
- This Sunday is " Day of Ministry". We know that more testimonies will come as a result of it as well, so let us know!
- **PLEASE, Please TURN IN YOUR Form by this WEDNESDAY OCT 11th.** We know there are a few still out and we Truly need them in today. Please call us if there is glitch. OK?

We have to prepare and we must have your form in order to participate. If you were not their Sunday, you can get the forms from the home page on the website. **Please fax them to 972-646-6253. Call us and let us know you sent them. Email can hide! WE need to have A HEAD COUNT!** Contact us if you have any other questions.

Thank you for helping us!

"If Jesus had a wallet, Your picture would be in it!"..dc

My real name is Desiree, I started calling myself camerahappymom when Morgan was a year old. I always have a camera in my hand so it just seemed like a good nick name. The funny thing was that I do to my kids what I hated my dad doing to me... taking pictures! He always had a camera and was always taking pictures of my twin sister and I. Now I know why. I got my love of photography from him. I graduated in broadcast journalism, but decided to be

a Mom instead. I found out I was pregnant with Morgan a week before receiving my diploma. Marc and I couldn't have been happier. Although it did change the goals I had created for myself. We don't always know what God's plans are, but I am seeing them manifested in my life everyday. Photography just came natural to me after my daughter was born. I started dreaming of owning my photography business. I realize that this talent is not mine, but God's, and I will use it to glorify Him as He grows this business that He has allowed me to do... When we understand that what we have is not ours, but belongs to our Heavenly Father, He is then free to move in our lives. I pray that taking your pictures will bless you just as much as it blesses me. dc

Yes, Desiree Chapman is coming to Bedford, TX, to help Journey2Wholeness and you are All Invited. AS you read here from Desiree. She has a BIG heart for ministry and using her

gifts and talents for the Lord. We are privileged she chose to honor Journey2Wholeness with this Fundraiser that will Bless us ALL. She believes in us and in "A MORE EXCELLENT WAY" and desires to help us be able to continue to teach and To get materials in the hands of those that would not ordinarily be able to afford them.

She wants to take your family portrait... and I say a "Portrait" rather than picture because that is the difference. You saw ONE of my wedding pictures in our newsletter in August and that shows you the difference between Desiree and your local Wally World and Jacque Penney's! Amen! and Amen. All proceeds will go to enable J2W to purchase support materials, books in order for others to have the teaching "A MORE EXCELLENT WAY."

Desiree Recommends for a great shot:

Simple mono colors, NOT prints, checks, or plaids and such. Colors such as: • white and denim •white and Khaki • black and denim •red and denim Makes for great pics. You can do the RED if you are wanting to create a sort of HOLIDAY feel to the pic. But for your photo to be everlasting and NOT dated she encourages you to stay away from Christmas clothing and such things that can out date a photo quick.

The cost will be \$50 per session.

Sickness and Disease, My people Perish for Lack of Knowledge!

The Source of Sin, Sicknesses, and Diseases The Bible teaches that Satan and demons are the source of sin and disease. That is, they propagate sin and disease and control the law of sin and death in the human race (Mt. 4:23-24; 10:1-7; Lk. 10:1-20; 13:16; Jn. 10:10; Acts 10:38; Rom. 7:7-25; 8:1-4; 1 Jn. 3:8; Heb. 2:14-15). The Bible also teaches that God sent Jesus into the world to save men from all sin (Mt. 1:21; Eph. 1:7; 1 Jn. 1:7-9; Rev. 1:5); to heal men of all diseases and to deliver from demons (Mt. 8:16-17; Acts 10:38; 1 Pet. 2:24; 1 Jn. 3:8); and to answer all prayers for anything that one desires that is covered by the promises of God (Mt. 7:7-11; 18:19-20; 17:20; 21:21-22; Mk. 11:22-24; Jn. 14:12-15 15:7; 16:23-26).

Trust in him at all times, O people;

Trust in him at all times, O people; pour out your hearts to him, for God is our refuge. Psalm 62:8

THOUGHT:

It is so hard to share the secrets of our hearts with anyone. We want to keep our secret failings, embarrassments, and sins hidden. We fear that others would reject us and we would shame ourselves if anyone knew the secret sludge in our hearts. But hidden sin is only hidden from us. It is not hidden from our Father. Hidden sin festers in our hearts and drives a wedge between us and the God who would forgive us and empower us to triumph over it. If only we would pour out our hearts to him knowing that he longs to be our refuge.

PRAYER:

Loving Father and Holy God, today I want to confess to you several things on my heart. Father, I am afraid for others to know that I have ... (confess your most secret and shameful sins to God). Holy God, I have sinned and ask your forgiveness for ... (confess those sins that others may not see as all that important, but that Satan uses to diminish your allegiance to God). Eternal Lord, I (confess those things that are coming against me and place them in God's hands). You alone are my refuge and strength. I trust these confessions with you and ask that you strengthen me by the power of your Holy Spirit to not fall into these same traps again and again. Help me RECOGNIZE it and REMOVE it from my life. In Jesus' name I

pray. Amen
