ARE YOU STANDING IN FAITH FOR S

The way to get faith is "by hearing" the Word of God. You really ca hands and impart faith. If you are standing for something, then find the promises. As my Pastor has been sharing all year, **Faith** and **Ob** brings **Fire** and ignites **Faith** and **Miracles**.

- If you are still suffering sickness in your body or waiting on a Praise Him that it is already done.
- Expect the complete manifestation whether you see it or not.
- Forget symptoms, feelings, impossibilities or anything to the c regardless of how impossible it may appear outward.
- Faith laughs at impossibilities and cries, "IT IS DONE." It lea being God's part.
- One part then is to cooperate with faith and not hinder it wor questioning. Satan will throw his lies to get you to doubt. Who how and when it is to be answered?
- A person can get healing, the promises of God, victory over tl anything else that would cause him to be victorious. Just believ the cross 2000 years ago.
- Don't agree with sickness! It is not yours so separate yourself
- Watch what comes out of your mouth. Don't say "I have asth owning and agreeing with the disease. You can say "I'm having
- Still not healed? In ""A More Excellent Way" book, read "Blo checklist with yourself and the Lord and ask Him to show you need to take responsibility for!

FOR I, THE LORD, HEAL

Do you know anyone who is sick in their body and are looking for t modalities. It cannot be found in a bottle or pills, it's not found in s medical technique...? Healing is found only in the True and Living C bones together. Only God knows how to heal you- body, spirit and provision for healing.

All throughout Old Testament Scripture the same message is echoe

"The Lord will keep you free from every disease." (Deuteronomy 7

"Praise the Lord...who forgives all your sins and heals all your diseas

"Trust in the Lord and lean not on your own understanding...Th

body and nourishment to your bones." (Proverbs 3:5-8)

"Listen closely to my words...for they are life to those who find the whole body." (Proverbs 4:20-22)

"...by his wounds you have been healed (I Peter 2:24)

Instead, we've looked under every rock and have searched the coll find healing, all the while ignoring God's Word.

Church denominations, once known as centers for healing, today medical professionals in the secular world. The word "secular" means away. It's sad, because secular medicine treats man as any animal scientific law.

Christians know God has conquered death and they share the hope. We believe God has overcome death on our behalf, we can believe Him when we are overcome with a life-threatening illness? He only requires His Word!
