## THIS WEEK'S TOPIC - OCCULTISM - PART 3

## Alternative Medicine

Our finally lesson on Occultism is coming up May 21st

We have had two awesome spirit lead lessons by Deborah &

Traci on how the occult operates in our lives. The Lord is truly giving us divine instruction through the direction of the Holy Spirit. We are gaining wisdom with understanding of the enemies tactics of deception that have kept us blinded and trapped causing hindrances in our lives of receiving the Love of our Heavenly Father that will heal our wounded and broken hearts!!

We Praise You LORD for removing the blinders and setting us free of the enemies devices step by step as we are learning to trust and obey the words and ways of the LORD.

THANK YOU JESUS!!

~Continue to enlarge our Hearts to be grateful in all circumstances~

As both Traci and Deborah mentioned the Key to overcoming Occultism just as any sin: **RECOGNIZE** through **DISCERNMENT** of the method by asking:

- Who was the founder of this modality?

spiritual roots are spirits of: guilt coming out of fear and conflict and generational occultism.

What do you mean conflict? It is conflict within your self over a conflict.....in other words guilt about a conflict.

## WELCOME GUEST

Deborah, Elizabeth and Traci want to welcome **Joy Elvir**. Joy came with Vic Cruise!

We invite you to join us again. Our ministry is to help people become free from any curses or bondage's from Satan in the areas (mentally, physically, spiritually, emotionally, relationally and financially) but best of all to help take you into a deeper relationship in the Lord.

Have you ever wondered about alternative medicines and/or psychology?

Some of the alternative medicines that are occult practices are:

|                             |                                    |
|-----------------------------|------------------------------------|
| Acupuncture                 | Aroma Therapy                      |
| Biorhythms                  | Bio Feedback                       |
| Chiropractic by D.D. Palmer | Healing with sound/color/crystals  |
| Homeopathy                  | Reflexology                        |
| Palmistry                   | Reiki                              |
| Pilates                     | Yoga                               |
| Psychology                  | Visualization ..... Guided Imagery |

All of these practices are based on deception confirming the biblical warning that the coming of the Antichrist will be "according to the working of Satan, with all power, signs, and lying wonders" 2 Thess. 2:8-9, Rev. 13:3 & Eph 6:12.

The medical/chemical Model does not line up with the word of God. Some of the medical theory statements: man is nothing by physical, you are sick, therefore not responsible, you are suffering from a mental illness, the diagnosis of your problem from within, only trained and certified psychiatrist can help and you need drugs are completely against the word of God.

Look up these scriptures for Growth Work: Eccl. 12:7, 2 Corinthians 5:10, 1 Timothy 6:10, Psalms 51:3-4, Luke 13:3, Proverbs 3:5-8, Proverbs 14:12, James 4:8, Romans 15:14 and 2 Corinthians 11:29.

Have you heard of Carl Jung, the founder of the school of analytical psychology? Well, he was into the occult in finding the repressed memory and spirit guides!! The inroad of psychology is extremely dangerous and opens the door to the demonic and occultism.

The scriptures are clear about how easily people (Christians) are deceived and false prophets. Jer. 29:8, 1 John 4:1 Col 2:8.

Be aware and recognize within yourself any offense or uncomfortableness and seek the Lord on what is causing the restlessness in your heart!! He is well able and desires to reveal truth to each of us!!

Be blessed and open to more and more LIGHT and TRUTH in your personal JOURNEY2WHOLENESS!!

We are asking for small suggested donation offerings to cover the expense of materials. If you cannot afford it, do not let that stop you.

Spread the Word to your friends who you know who are walking in sickness spiritually, physically, mentally, emotionally, relationally and financially. If you have friends interested, tell them to get a copy of the book "A More Excellent Way" and begin reading and come to the **introduction and overview** on June 18! ## TRUE PRAISE & WORSHIP #4

**SUPERNATURAL KEY** to our Divine Healing & Wholeness comes from a **HEART** filled with Praise & Worship to our Heaven Father!!

Psalm 149 Praise ye the LORD. Sing unto the Lord a new song, and his praise in the congregation of saints. Let Israel rejoice in him that made him: let the children of Zion be joyful in their King. Let them praise his name in the dance let them sing praises unto him wit the timbrel and harp. For the LORD taketh pleasure in his people: he will beautify the meek with salvation. Let the saints be joyful in glory: let them sing aloud upon their beds. Let the high praises of God be in their mouth, and a two-edged sword in their hand; To execute vengeance upon the heathen, and punishments upon the people: To bind their kings with chains, and their nobles with letters of iron: To execute upon them the judgement written; this honor have all his saints. Praise ye the LORD.

Psalm 150 PRAISE ye the LORD. Praise God in his sanctuary; praise him in the

firmament of his power. Praise him for his mighty acts: praise him according to his excellent greatness. Praise him with the sound of the trumpet: praise him with the psaltery and harp. Praise him with the timbrel and dance: praise him with stringed instruments and organs. Praise him upon the loud cymbals: praise him upon the high sounding cymbals. Let every thing that hath breath praise the LORD. Praise ye the LORD.

No matter what comes your way this week set your heart to **PRAISE THE LORD** you will experience **VICTORY!!**

Love & peace,
