#### Blessings!

Can you believe we have already reached the last day of May, 2006? In just a couple of weeks, this year will be half gone! We just finished Journey2Wholeness Ministry's first Teaching of "**A More Excellent Way**". (AMEW)

We were truly blessed and excited to see what the Lord did in the lives of those who faithfully attended. Lives changed and set free in many areas of sickness, disease, and mental torment. Thank you all for your faithfulness in appropriating the Word of God.

As we close with one session, we began to gain new insights from the Lord on things ahead. It so exciting but at the same time He is truly stretching us with vision much bigger than ourselves or anything we could have asked for.

Look at how God's Word portrays our short time here on earth:

- \* It's a dream that flies away (Job 20:8).
- \* It's a shadow that disappears (1 Chronicles 29:15).
- \* It's a cloud that vanishes (Job 7:9).
- \* It's a flower that dies (Job 14:1, 2).
- \* It's as grass that withers (1 Peter 1:24, 25).
- \* It's a vapor that vanishes (James 4:14).
- \* It's as a mere breath, as nothing (Psalm 39:5).
- \* It's as a phantom (Psalm 39:6, NASB)
- \* It's as a sigh (Psalm 90:9, NASB)
- \* It's as the wind that passes (Psalm 78:39).

Yes, the year is almost halfway over. I say that we should truly ask ourselves, How diligent should we be to make wise use of the days we have ahead?

Let not the enemy steal one more day from you in walking in your true calling and destiny. If you feel stumped or hindered then this teaching is for you. IF sickness, disease, time, lack of knowlege or ability to move forward is truly keeping you held captive, then don't miss the next upcoming session. It will equip you to "DO" the works of the Lord in regards to

your destiny and purpose established in your life before you were born.

Write us an email to let us know you are interested in attending and we will send you more details. Please invite those you know to attend our introduction night, June 25th! (But let us know, a head count would be nice) Watch for details as they become available. Changes are happening, stay tune! ;-)

#### **Life or Death, Blessing or Cursing!**

*Exercise the power of My word by speaking it and declaring the truth over your circumstances. Do not underestimate the power of the words you speak. Your proclamations will either bring forth life or death, blessing or cursing. But, today is the day to begin to speak life and peace to yourself and others. Walk out of the darkness and celebrate the light. Refuse to allow negativity to keep you in bondage, says the Lord.*

*Proverbs 18:21 Death and life are in the power of the tongue, and those who love it will eat its fruit.*

***In closing, we want to Thank all of you who sent in your great testimonies. We know you pressed through the TEST, and now you can share the Testimony, and the goodness of the Lord.***

***Let me recommend some quick reading this week. A great book written by Bruce Wilkenson called,***

**"Dream Giver".**

**Also a new book from Pleasant Valley Church, by Anita Hill called, " Out of Many Waters". A terrific story of her life and healing.**

**We appreciate your giving because this ministry is supported in part by your gifts and love offerings. Our ministry times are growing and we cannot tell you how important your support is. Thank you so much each and every one of you. We speak blessing and favor multiplied to each of you.**

**Please pray for the ministry as the Lord leads you and guides you. Our one prayer requests would be that we pray for Divine Appointments, and Divine connections. Please keep us all in your prayers and cover us as God shows you.**

**Stay tuned for upcoming details of our next session.**
